1. The 4 men with leprosy = Believers
2. The gatekeepers (v11) = Who proclaim the good news in a direct manner
3. The King (v12) = Sceptics

“The king got up in the night and said to his officers, ‘I will tell you what the Arameans have done to us. They know we are starving; so they have left the camp to hide in the countryside, thinking, “They will surely come out, and then we will take them alive and get into the city.”
4. The Officer (v13) = Urging people to accept Jesus.

“One of his officers answered, ‘Make some men take five of the horses that are left in the city. Their plight will be like that of all the Israelites left here – yes, they will only be like all these Israelites who are doomed. So let us send them to find out what happened.’”
5. The Messengers (v15) = Who accepted Jesus, returned & shared

6. Another officer (v17) = Unbelievers

“The officer had said to the man of God, ‘Look, even if the LORD should open the floodgates of the heavens, could this happen?’” – v19
The men who had leprosy reached the edge of the camp, entered one of the tents and ate and drank. Then they took silver, gold and clothes, and went off and hid them. They returned and entered another tent and took some things from it and hid them also.
Then they said to each other, ‘We are not doing right. This is a day of good news and we are keeping it to ourselves. If we wait until daylight, punishment will overtake us. Let’s go at once and report this to the royal palace.’

So they went and called out to the city gatekeepers.
